PERSONAL STATEMENT

I am a passionate web developer and programmer from Obiaruku, Delta State, Nigeria. My journey in programming began in February 2024, and since then, I have focused on building web applications and mastering programming concepts. I am driven by the joy of solving real-world problems through technology and am currently seeking opportunities to contribute and grow in the tech field.

INTEREST

I am particularly passionate about working on innovative projects in the fields of software engineering and artificial intelligence. I plan to focus on cybersecurity, with a goal of securing systems, networks, and data from evolving threats.
